General Information - Senate Bill 149 creates the Teacher and Student Success Act (TSSA) which provides for the State Board of Education to distribute funds from the Teacher and Student Success Account to the boards of local education agencies. It requires the board of a local education agency to create guidelines for the creation of school outcome-based program plans and requires a school to make an outcome-based program plan for the use of program money.

Goal-Based on School Needs:

1. **Improve student reading literacy in Kindergarten through 6th grades, using 1st through 3rd grade as our target population.**
   a. **Measurements**: At least 60% of 1st through 3rd-grade students will make progress from the beginning of the year to the end of the year as measured by approved State and School assessments.

2. **Increase student Math progress toward grade level in 3rd through 11th grades, using 6th and 9th grades as our target population.**
   a. **Measurements**: At least 60% of 6th and 9th-grade students will make progress from the beginning of the year to the end of the year as measured by approved State and School assessments.

Action Steps:
- Instructional Technologists will provide teachers and/or staff with professional learning opportunities to implement a researched-based curriculum and effective teaching practices.
- Instructional Technologists will design and customize the learning management system for ease of student use and maximize student interaction.
- Teachers will implement new interactive instructional strategies.
- Teachers will use data to work directly with students to assist in their achieving the outlined academic goals.

Budget:
- 10% of the TSSA funds will be used for instructional technology.
- 40% of the TSSA funds will be used for salaries for interventionists.
- 50% of the TSSA funds will be used for augmentation of existing programs.

The school must post on its website (a) the approved plan, (b) a description of the school's allocation budgeted and actual expenditures, (c) a summary of how the expenditures help the school accomplish the plan, and (d) the school's current level of performance.
